

Choose a standard TrussSHED™ design—or let us customize one to fit your needs exactly.

Standard TrussSHED™

Simple, attractive and affordable, this model is our most popular with plenty of room for a rider-mower and tools – and small enough for most back yards.

6' x 8' x 7' w/single door: \$1,999
8' x 10' x 7' w/single door: \$2,599
10' x 12' x 7' w/double door: \$3,799

Under Eave TrussSHED™

Perfect for garden tools, this model is built to fit under most roof overhangs and meets most HOA regulations. Lockable double sliding doors to maximize interior accessibility.

3' x 8' x 7'6" w/double door: \$1,999

Fully Customizable TrussSHED™

Our largest standard model is customizable to meet a variety of needs, such as this Job Site Office version.

12' x 16' x 8'
w/single door:
\$6,199

Made with high-quality, Hi-Bor® treated lumber and siding, **TrussSHEDs™** will outlast plastic and "kit" shed options sold at home improvement stores. Choose from one of our three basic models—or customize with paint, door, window, and flooring options to make your **TrussSHED™** an **extension of your home**. Our prices include **free Maui delivery and installation** on your leveled and cleared location (site-prep service is available for an additional charge).
